

- Block sizes and placement shown are for reference only. Individual blocks will vary with installation pattern.
- This drawing is for reference only.
- Check with local building codes for design/engineering and construction requirements.
- Final design must consider site-specific factors such as drainage, soil conditions, slopes, and surcharges.

TYPICAL SECTION
(NO SCALE)

This drawing is for reference only. Determination of the suitability and/or manner of use of any details contained in this document is the sole responsibility of the design engineer of record. Final project designs, including all construction details, shall be prepared by a licensed professional engineer using the actual conditions of the proposed site.
